

EBO 2024: Advanced Engineering

Previous Assignment Information: All hyperlinks, instructions and search options have been disabled or removed.

Training Type: Curriculum

Provider: Digital Building Academy

Version: 1.0 [Structure History](#)

Training Hours: 26 Hours 46 Minutes

Description:

This is a curriculum for Schneider Electric employees and partner employees, who are certified for EBO 2024: Engineering EBO. After completing this curriculum and passing the certification test, you will be well prepared to engineer a new site with the latest engineering efficiency tools and know how to use the standard graphics libraries and applications.

Note!

Mandatory Pre-requisite

- EBO 2024: Engineering Upgrade – Curriculum ID: BLDECXCS0001065 or
- EBO 2024: Engineering EBO – Curriculum ID: BLDECXCS0001056 or
- *EBO 7: Engineering Upgrade – Curriculum ID: BLDECXCS0001080 Under Construction not published yet or*
- EBO 7: Engineering EBO – Curriculum ID: BLDECXCS0001087

Course Code: BLDECXCS0001077

Status: In Progress

Training Purpose:

Due Date: None

Expiration Date:

Curriculum

Title	Type	Due Date	Completion Date	Excused	Required	Status	Pre-Approve
Project Configuration Tool (PCT 2.x) (Min. required: 3)	Section						
▼ EcoStruxure Building: Installing and configuring PCT 2	Online Class					Registered	
▼ EcoStruxure Building: Working with PCT 2	Online Class					Not Activated	Yes
▼ EcoStruxure Building: Export and backup in PCT 2	Online Class					Not Activated	Yes
OPC Communication (Min. required: 5)	Section						
▼ EcoStruxure Building: Engineering Efficiency with EcoStruxure Building Operation	Video					In Progress	
▼ EcoStruxure Building: The SEBA Naming Standard	Video					Registered	
▼ EcoStruxure Building: MP-x Engineering Standards: Part 1	Video		10/15/2025			Completed	
▼ EcoStruxure Building: MP-x Engineering Standards: Part 2	Video					In Progress	
▼ EBO 2024: Default Certificates and Secure Communication	Online Class					Registered	
Instructor Lead Training and Certification Test (Min. required: 2)	Section
