The 2024 NRF Next Generation and Emerging Researchers Symposium

The NRF is launching the Next Generation and Emerging Researchers Symposium in October 2024. This symposium aims to create a platform for 300 postgraduate students and emerging researchers to connect, exchange knowledge, and share innovative research projects.

The symposium will align with the abstracts via NRFConnect. Read here: <https://www.nrf.ac.za/the-2024-nrf-next-generation-and-emerging-researchers-symposium>.
